The Midwest Region Interim Board continues to meet via conference call on a regular basis. Our last meeting was October 26, 2017. The current balance in the ACM Midwest Region bank account is \$868.68.

Much of the early part of 2017, the Midwest Board and the Midwest Members assisted in the planning and completion of the ACM National Conference held in Minneapolis, MN in July.

The ACM Midwest held its Annual Meeting at the National conference on Wednesday, July 12, 2017 at 3:15 p.m. in the MN Room at the Minneapolis Marriott City Center. The board closed the call for nominations at that time to fill five board seats. There were four nominations for the Board, Tina (Wilson) LeGarde, Jason Liggett, Ryan VanLanduyt and Mary Van Sickle. After the election process, all four nominees were appointed to the ACM Midwest Board.

Per member feedback at the annual meeting, the Board has been working hard on establishing a member survey to be sent out to the Midwest region. This survey will better identify areas of growth for the region as well as needed committees and services by the Midwest Board. Completion of the survey is to be done by the end of March 2018 so that it can be sent to members.
